

OGUN-OSHUN RIVER BASIN DEVELOPMENT AUTHORITY

REPORT OF THE EVALUATION OF TECHNICAL BIDS FOR CONSTRUCTION OF FLOOD AND EROSION CONTROL WORKS AT HARMONY, FUNAAB AREA, ODEDA LGA, OGUN STATE (LOT 65) UNDER THE 2021 APPROPRIATION TO THE PROCUREMENT PLANNING COMMITTEE (PPC).

1.0 INTRODUCTION:

The Federal Government of Nigeria had approved the Construction of Flood and Erosion Control Works at Harmony, FUNAAB Area, Odeda LGA, Ogun State under the 2021 Appropriation by Ogun-Oshun River Basin Development Authority. This was advertised in the Federal Tenders Journal of 10th May, 2021, the Nation and The Tribune Newspapers of 10th May, 2021 (Appendix I (ABC)). The submissions from interested bidders were opened publicly on 29th June, 2021. Twelve (12) companies bided for this project. See Appendix II for the Bids Return Sheet.

2.0 TECHNICAL BID EVALUATION

The Management of OORBDA set up a 5-man sub-committee made up of technical/professional personnel to evaluate the technical bids with a view to recommending successful firms for consideration for financial tendering.

Members of the committee are:

- | | | | | |
|------|------------------------------|--------------------|---|-----------|
| i. | Engr. Taiwo Ogunsowo | - ACE (Const.) | - | Chairman |
| ii. | Engr. (Mrs) Temitope Aboyeji | - P.E. (Const.) | - | Member |
| iii. | Engr. Seun Makanjuola | - P.E. (Const.) | - | Member |
| iv. | Engr. Abimbola Gamu | - Engr. 1 (Design) | - | Member |
| v. | Engr. Fasasi Ismail | - S. E (Const.) | - | Secretary |

The Committee began sitting immediately to evaluate the pre-qualification tenders. The pattern of scoring adopted is in accordance with the guidelines of the Bureau of Public Procurement (BPP).

3.0 CRITERIA FOR EVALUATION

The following criteria were used to evaluate the pre-qualification tender documents to determine the company's technical ability to execute the jobs vis-à-vis the need to strictly adhere to the guidelines of the Bureau of Public Procurement:
